Problems Faced by Indian Soldiers Serving in Sierra Leone

1894. SHRI DIPANKAR MUKHERJEE:
SHRI KRISHNA KUMAR BIRLA:
SHRI R. K. ANAND:

Will the Minister of DEFENCE be pleased to state:

(a) whether it is a fact that the Indian soldiers serving in the United Nations' Mission in Sierra Leone are not getting the letters written by their families;

(b) whether it is also a fact that the Indian soldiers are not receiving their salaries which are paid by U.N.;

(c) if so, what are the reasons therefor; and

(d) what steps have been taken by Government to solve the difficulties being faced by the Indian soldiers serving in Sierra Leone?

THE MINISTER OF DEFENCE (SHRI GEORGE FERNANDES): (a) to (d) There was a disruption in the mail service

to our troops, due to disturbed situation prevailing in Sierra Leone as well as irregular flights from Accra to Freetown. This problem has since been resolved by routing the mail through Conakry. Our troops are receiving their mail regularly now.

The Indian soldiers serving in the UNAMSIL Mission, Sierra Leone are receiving their full entitlements of overseas allowances and the same is being credited to their individual accounts in banks in India. It has not been possible so far to disburse overseas allowances to the Indian soldiers in US dollars in Sierra Leone, due to the inability of the banks in Sierra Leone to handle cash in dollars. Efforts are being made to disburse overseas allowances to the soldiers in US dollars through a neighbouring African country.

Meanwhile, orders have been issued to for sending one IAF aircraft on courier service to Sierra Leone every month with a view to facilitate disbursement of overseas allowances and also carry other items including those for personal use of the Indian troops.
